MULTI-PURPOSE OUTDOOR SANITISER 1L

ecofective®

MULTI-PURPOSE OUTDOOR SANITISER

A natural organic acid-based sanitiser, which helps prevent the spread of harmful bacteria. It is none-hazardous and kills 99.999% of bacteria. It cleans and sanitises outdoor surfaces including furniture, door handles, children's play equipment and BBQ's.

Directions for use: Shake bottle lightly. Turn trigger to the 'ON' position and when finished turn the trigger to the 'OFF' position.

Cleaning:

Remove any debris, apply the product and wipe down.

Sanitising:

Remove debris, apply and after 5 minutes wipe down or leave to dry.

Precautions: Store in original container, upright, and out of direct heat/sunlight. Wash hands after use. Keep stored away from children and pets.

*Safe to use around children and pets when following the labels instructions for use.

This bottle is made from 100% recycled materials. Bottle and trigger are recyclable.
