ecofective® NATURAL PATH, PATIO & DECKING CLEANER

ecofective® Natural Path, Patio and Decking Cleaner concentrate is a natural anti-bacterial cleaner which cleans and disinfects outdoor hard surfaces including path, patio, decking and artificial grass areas. The product when diluted will clean away dirt, grime and algae, and will also sanitise areas, killing 99.999% of bacteria.

Directions for use:

Remove or scrape away debris from area(s) to be treated.

Dilute 1 part ecofective® Natural Path, Patio and Decking Cleaner into 1 part of hot water not exceeding 40°C. Apply using a watering can or sprayer on droplet setting, scrubbing into the area using a soft broom.

Leave for 5 minutes and then rinse off with a hose.

This 5L of concentrate will treat up to 96sq.m depending on the application method.

Precautions:

Wash hands thoroughly after handling. Keep out of reach of children. Keep in original container, if medical advice is needed, show this container or its label. Keep product upright in storage and transit. Dispose of empty rinsed container and cap into the recycling bin. **DO NOT** use on lawns. Do not use a sprayer/watering can in windy conditions, to reduce risk of drift onto wanted plants.

*Safe to use around children and pets when following the labels instructions for use.

KILLS 99.999% OF BACTERIA

USED BY PROFESSIONALS

Recycled and Recyclable
This bottle is made from 100% recycled materials. Bottle and cap are recyclable.
